

MUSIC INFORMATION

The market runs Saturdays from 9am to 1pm. You are able to arrive before or around start time, just please make sure you are ready to play at 10am. You do not have to stay until the end of the market.

Performance time is 2 hours: 10am to noon. Pay is \$75 for the 2 hours and we will cut you a check on site. We also find that our customers regularly give tips/donations, so prepare for that.

The market is at the corner of 6th and Columbia Street. We will have a tent (with weights) set up for you to play under. If you need seating, please bring it. Also let me know if you will need access to electricity.

I will be at the market lot around 8am. When you arrive, please call/text me on my cell (518-610-5859) and I'll come meet you to make sure you're set up in the right spot and assist if needed.

If there is inclement weather in the forecast we will be in touch before the market to see what you would like to do. In the past there have been some musicians who will skip the market and others who will still play. This is completely up to you. If you choose to skip, we will fill your spot with a backup musician.

Please send any social media/publicity info that you would like for us to share on our newsletter or Instagram/FB pages.
